Christensen, superintendent of the city's public schools, has received from the pupils of the Riverside school a large crate of vegetables gathered from seeds furnished by the department of agriculture at Washington, D. The girls were furnished with flower seeds at the time the vegetable seeds were distributed, and Mr. Christensen received several pretty bouquets of asters, dahlias and marigolds with the vegetable samples.

Happy Hans says, "I like EDUCATOR SHOES because they give my toes plenty of room. I can play all day without being tired. My feet do not hurt me because the toes are spread out as they are when I go barefooted in the summer. I have noticed that boys who wear pointed shoes grow tired and stop to rest long before I do. My parents say that I am a better natured boy since they bought EDUCATOR SHOES for me."

The makers, Rice & Hutchins, are offering a free scholarship of \$150 for one child in each state. The conditions are so simple that it will pay you to ask your dealer for further particulars.

This is EDUCATOR WEEK, the best time to buy EDUCATOR SHOES for the opening of school.
